Dear Mr J. Auna,

SUBJECT : CURRENT LANDOWNERS ASSOCIATION

STILL EXIST

The Current Landowners Association Executive Committee met on Friday, 11-9-87 and passed a resolution not to step down and not handover our traditional and birth-right powers.

The Present Committee Members were and still are traditionally voted. Therefore we are holding positions as leaders of our respective villages.

This Association shall continue to hold any discussions/negotiations with BCL on matters of benefit to the Landowners and the province as a whole.

The so called ploa (new) under the leaders:-

- (1) PERPETUA SERERO
- (2) FRANCIS ONA

is manipulated by so many members with personal problems, some Union Members and those expelled from the BCL.

Mr. Francis Ona their Secretary is a BCL employee.

The whole area is not represented in the formation.

This is for your information.

Thank you.
